

Accessibility Statement

Ohr Acupuncture and Wellness, PLLC

Last updated: October 18, 2026

Ohr Acupuncture and Wellness is committed to making our website and our care welcoming and usable for everyone, including people with disabilities.

Our Website

We are working to make ohracupunctureandwellness.com easier to use for all visitors, including people who use screen readers, keyboard navigation, or magnification. Our goal is to follow the Web Content Accessibility Guidelines (WCAG) 2.1, Level AA, a widely used standard for accessible websites.

This is ongoing work. Some parts of our website may not yet be fully accessible. We are improving them, including adding text descriptions to images and making sure headings and links are clear.

Our online booking system, AcuBliss, is run by a separate company. If you have trouble booking online, please call us and we'll gladly schedule your appointment by phone.

Our Office

Our office has a wheelchair accessible entrance on Preston Street.

If you have a disability or health condition that affects your visit, please let us know when you book. We're happy to discuss how we can make your appointment comfortable.

Need Help or Have Feedback?

If anything on our website is hard to use, or if you need information in a different format, please contact us. Let us know the page and the problem, and we'll do our best to help and to fix it.
